

## Accessible Ukulele Book added to our self-isolation support

Dear parents, schools and friends,

We have just completed and uploaded our accessible [Ukulele Song Book](#) to our website.

It relies on a coloured sticker system so that children just have to colour-match rather than remember chord names or finger positions. It offers an accessible way to accompany singing a wide range of pop songs and nursery rhymes.

Please [download it here](#) and pass onto anyone you think may be interested.

Also, we hope you are enjoying the rest of the musical resources in our [Self Isolation Support](#) pages.

Best wishes,  
Camilla
