July 2022

Hello WFMT members!

The countdown to the next World Congress is on! We look forward to connecting with you one year from now in Vancouver. This month, we hear from the Professional Congress Organizer.

My name is Alan Lee and I am a Project Manager with International Conference Services (ICS). We are the Professional Congress Organizer company (PCO) that has been hired by CAMT to assist them in organizing the 17th Annual Congress of Music Therapy.

As the PCO for the upcoming 17th World Congress of Music Therapy, we are thrilled to be working with such a diverse and passionate community. We are excited to be able to welcome people from all over the world to not only this congress but also the city of Vancouver. The priority of not only delivering a logistically sound congress and providing world class programming, but also meaningful engagements and interactions really shines through with this committee. They understand the importance of building an engaging program but

that it needs to be combined with bountiful social and networking opportunities for attendees to make real connections and that accessibility needs to be included in every level of planning.

This iteration of the WCMT is shaping up to raise the bar for years to come and we are fully onboard to support them in achieving just that.

We can't wait to welcome you to Vancouver on July 24-29, 2023 so Save the Date! Registration and Housing will open late August, 2022 so mark your calendars and don't miss out on Early Bird rates!
